

Bench driller FLOTT TB 13 STW

State	USED
Category	Drilling machine
Brand	FLOTT
Model	TB 13 STW
Serial number	331202092
Year of manufacture	1987
Inventory number	3166

CHARACTERISTICS

Speed selection by diameter and material
Electronic spindle controller
Constant spindle speed on load
Drilling head height adjustable by pneumatic compensator
Fine setting of drilling depth
Electronic protection of the engine

Technical data

Spindle speed : 400-4500 t/min
Drilling in steel max \varnothing : 10 mm
Drilling in cast iron max \varnothing : 13 mm
Range of drilling : 60 mm
Distance spindle / column : 185 mm
Work surface : 220 x 300 mm
Motor power : 0,5 kW
Electrical supply : 220 V

COMPOSITION AND ACCESSORIES
